Oxnard Performing Arts Center (theater)

Describe your event and how it meets the “Rental Credit” program’s listed qualifications. Please attach any supplemental and additional materials.

1. Please provide a detailed description of the event (meeting, performance, etc), the artists, performers or presenters involved, and the purpose of the event.

This is the Ballet’s 6th annual Summer Spectacular which includes a presentation of 12 original choreographies. These pay homage to the global nature of ballet including: Russian, French and even new approaches such as hip hop. The Ballet Company is made up of 100 students and adults alike, who all come from different Oxnard neighborhoods, socioeconomic statuses, and ethnic backgrounds. Students practice twice a week at our studio in La Colonia all year long. Their hard work culminates in this Summer Spectacular.

2. Who is your target audience?

The Summer Spectacular is free and open to the public, although tickets must be reserved in advanced. Our attendees are just as diverse as our performers and we make a concerted effort to invite and shuttle in attendees who have never been to a ballet before.

Last year, we outgrew the Oxnard Ballroom at The PACC and are hoping to get the rental credit so we can afford the main theater. This way, we can entertain many more people.

3. How does this event support the Quality of Life Strategic Priority Area?

The Oxnard Ballet is dedicated to providing the Oxnard community access to quality cultural performances at little or no cost. Dance provides a way to find common ground through a love for performance, choreography and song; and gives students a safe, healthy and rewarding afterschool experience. Many of these students may not otherwise have access to such programs. Many of our students go on to college, earning scholarships for their excellence in dance.

Total cost of Event: \$ 10,000

What does the venue normally rent for. (Please check with Rental Coordinator for current rates.) \$ 6,000, (This is the cost of renting the theater for 1 Saturday performance)
